We have been working on retelling stories, and writing our own stories as part of our IB unit of study. We have 5 stars that we think are really important to stories. When reading at home, please ask questions surrounding these stars, and check to see if your kindergartener can answer them.

I am sure you have heard the exciting news that we have three chicken eggs in our classroom. We are incubating the eggs and hoping to have three baby chicks in approximately three weeks. I think this is a great opportunity for the kids to see something extraordinary! My hope is that this experience will spark kids' writing, and that it will encourage the spirit of inquiry. Please feel free to come in and visit the eggs and see how things are developing.

The kindergarteners will be in charge of the movie night for the month of April. We will be accompanied by Mrs. Grady's class; and we will be responsible for picking the movie, picking a charity to donate the profits, and running the concession stand. Please let me know if you will be able to attend this event on Friday, April 18th.
